President, U.S. Medical
Communications, Wyeth
Pharmaceuticals

Karen Miller, Director, Ally Development,
AstraZeneca

Next Steps:

1. Circulate a list of national associations, affiliated organizations, and academic leaders (see below)
2. Develop one-page description based upon November Atlanta meeting notes and circulate for comments and approval
3. Consider establishing a basic webpage for easy retrieval of approved public documents and useful links
4. Provide two-way information flow so that comments from partners and interested parties are conveyed to other two task forces.
5. Postpone contact with disease-specific organizations until Taskforce #2 is further along.

Next Call:

Monday, February 14, 2:30 PM

Participants Call:

1/800/882-3610; 2099864# (the pound key)

CDC-CDD-NPC-AHRQ Collaboration

Estimating the Cost of Chronic Disease

Purpose of Collaboration:

The two purposes of the CDD-CDC-NPC Collaborative are 1) to better understand the ways state chronic disease and Medicaid programs can collaborate; and 2) to develop econometric models for states to estimate and discuss the fiscal impact of chronic diseases.

Purpose of Taskforce #3:

The purpose of Taskforce #3: DIALOGUE WITH PARTNERS – To identify and engage in dialog with other interested parties.
