Development, AstraZeneca**

**Next Steps:**

1. Establish next meet after Taskforce #1 is going. Tuesdays (as needed) at 2:30 PM should work for everyone.
2. Circulate a revised list of national associations, affiliated organizations, and academic leaders (see below)
3. Revise and shorten the one-page description and circulate for comments and approval
4. Consider establishing a basic webpage for easy retrieval of approved public documents and useful links
5. Provide two-way information flow so that comments from partners and interested parties are conveyed to other two task forces.
6. Postpone contact with disease-specific organizations until Taskforce #2 is further along.

Next Call:

None scheduled at this time

Participants Call:

**1/800/882-3610; 2099864#** (the pound key)

## CDC-CDD-NPC-AHRQ Collaboration

### Estimating the Cost of Chronic Disease

**Purpose of Collaboration:**

The two purposes of the CDD-CDC-NPC Collaborative are 1) to better understand the ways state chronic disease and Medicaid programs can collaborate; and 2) to develop econometric models for states to estimate and discuss the fiscal impact of chronic diseases.

**Purpose of Taskforce #3:**

The purpose of Taskforce #3: DIALOGUE WITH PARTNERS – To identify and engage in dialog with other interested parties.

### Preliminary List of Partners for Initial Contact
